

Value Delivered.

THE CIGNA AND EXPRESS SCRIPTS COMBINATION

Cigna and Express Scripts have come together to accelerate a new, more sustainable model of health care as a global total health and well-being company. In just the short while we've been together we have focused on delivering what our clients and customers want now and are anticipating what they need next, in bold new ways that truly make a difference for our customers, clients and the entire healthcare industry.

In our first year, we have...

Improved insulin affordability with the **Patient Assurance ProgramSM** capping our customers' out-of-pocket costs for certain preferred insulins

Created a new value-based program, holding pharmaceutical manufactures more accountable and offering medication coaching for select conditions, with **SafeGuardRx for CignaSM**

Improved gene therapy access and affordability for clients and customers with a new gene therapy network and **Embarc Benefit ProtectionSM**

Used our combined scale and influence to **Strengthen Pharmaceutical Contracting** for expanded access and value

Strengthened our clinical **Utilization Management** for immediate cost savings, quality and drug safety

Given customers access to one of the largest home delivery pharmacies in the U.S. with **Express Scripts Pharmacy**

Provided access to **Freedom Fertility PharmacySM** exclusively supporting customers undergoing fertility treatment

Enhanced our comprehensive gaps in care management with **RationalMed[®] for Cigna** and **Well Informed Gaps in CareSM**

Introduced Accredo[®] and specialty condition-specific care with the **Accredo Therapeutic Resource CentersSM**

And it's just the beginning.

We have set a bold target of **reducing total medical costs at or below CPI by 2021 for our integrated business.** To get there, we're relentlessly focused on improving affordability, predictability and simplicity to continue to transform and improve healthcare for our clients and customers.
